Applicants do not waive any rights to appropriate action to establish patentability over the listed documents should they be applied as references against the claims of the present application.

**RELEVANCE OF THE DOCUMENTS**

Document AA was cited in the supplementary European Search Report for counterpart European patent application No. 03771447.4. A copy of the supplementary European Search Report is also submitted herewith.

WO 02/20913, which is also listed the supplementary European Search Report, was submitted with the Information Disclosure Statement filed on September 6, 2005.

EP 1325990, which is also listed the supplementary European Search Report, is a counterpart of WO 02/20913, and accordingly is not submitted, as it is cumulative of a document that has already been submitted.

**CONCLUSION**

It is respectfully requested that the Examiner initial and return a copy of the enclosed Form PTO/SB/08A, and to similarly indicate in the official file wrapper of this patent application that the listed documents have been considered.

If the Examiner has any questions or wishes to discuss this application, the Examiner is invited to telephone the undersigned representative at the number set forth below.

Respectfully submitted,

JACOBSON HOLMAN PLLC
